“Don’t miss out on the 2012 big event for ITO TOURS!”

We are very proud to announce that we have had a dazzling tulip named after our company by Keukenhof and flower bulb nursery J.S. Pennings de Bilt (“Winner of a Gold Medal at the Chelsea Flower show 2010 and 2011”). The long term fruitful collaboration between ITO TOURS and Keukenhof, together with the effort to encourage many foreign tourists to visit The Netherlands has resulted in this celebration.

Tulips have already been named after important people like Givenchy, Laura Busch and our royal highness Prince Willem-Alexander. Even celebrities such as Katie Melua, Pink Floyd and Andre Rieu have named a tulip of their own. Large companies like Smirnoff, Coca-Cola and Renault have associated their name to one of these beautiful flowers and next year we will join this illustrious list of great names with our very own tulip!

If you want to find out more about this prestigious event and to see our tulip, follow us by scanning the QR code on this flyer or visit our website for updates and information.
